DIVIDE**

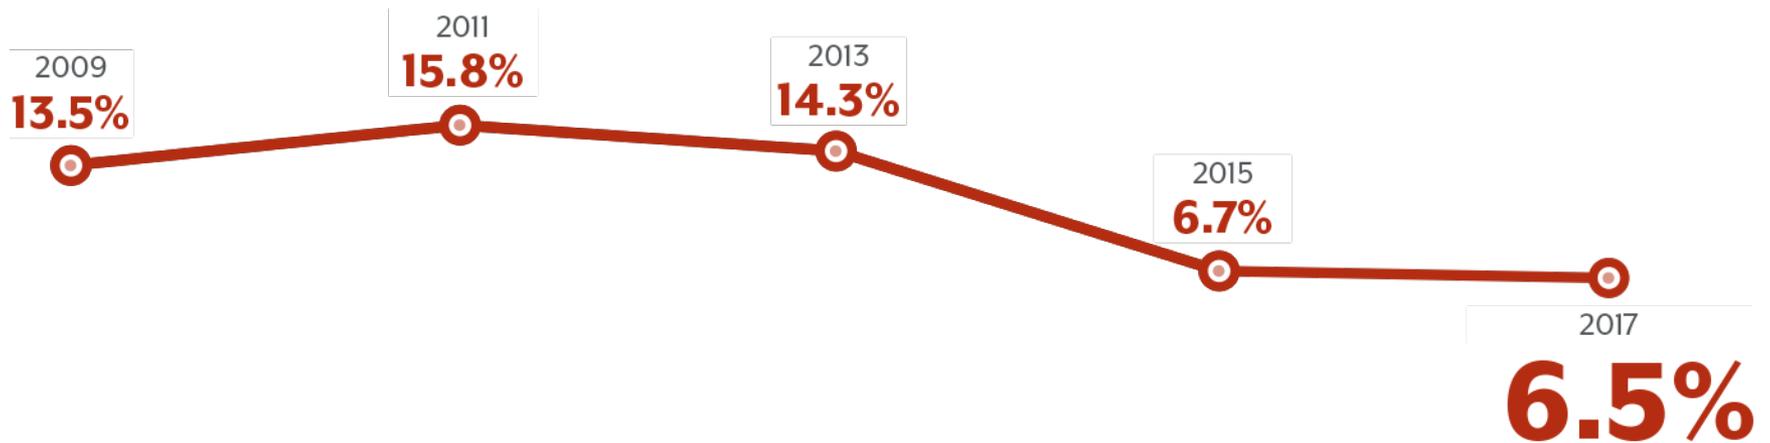

# Divides We See Heading Into 2018

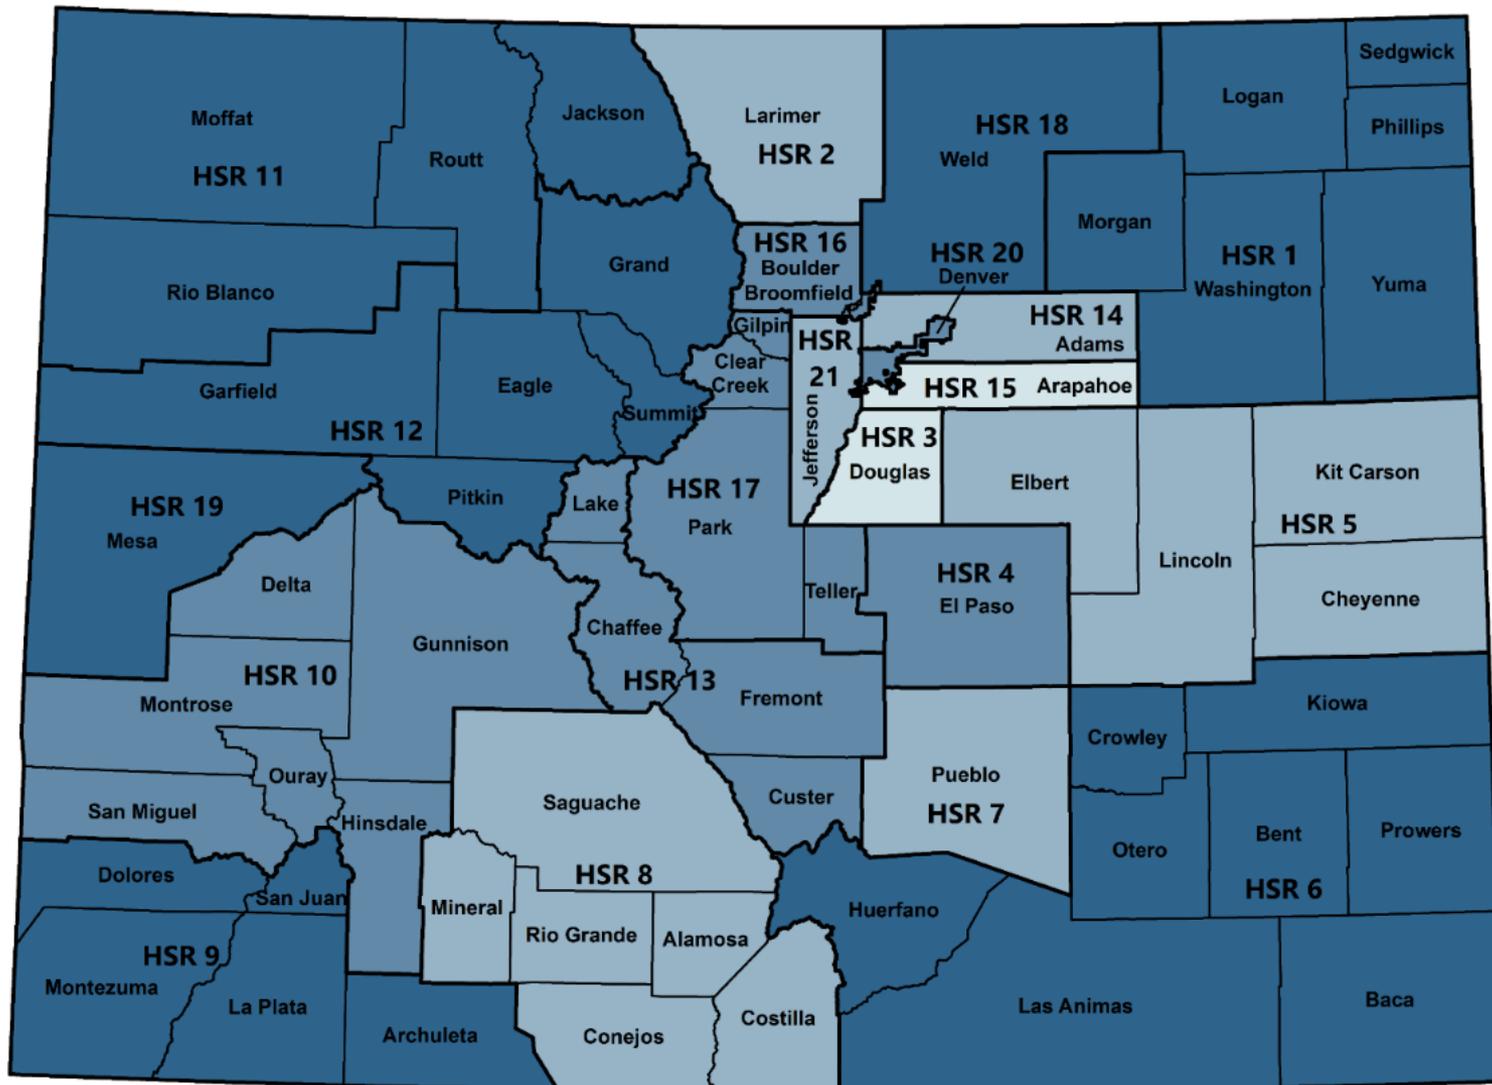

1. The Haves and Have-Nots
2. Innovation and Policy
3. Health Care and Health Outcomes
4. Private Sector and Public Sector
5. Ds and Rs

# 1. The Haves and Have-Nots

# And Colorado's New Rate Is . . .

1.4% - 3.2%

3.3% - 6.2%

6.3% - 9.0%

9.1% - 13.1%

## 2. Innovation and Policy

# Regulation Lags Innovation

## Recent legislation about innovation

Freestanding EDs

Micro-Hospitals

E-Consults

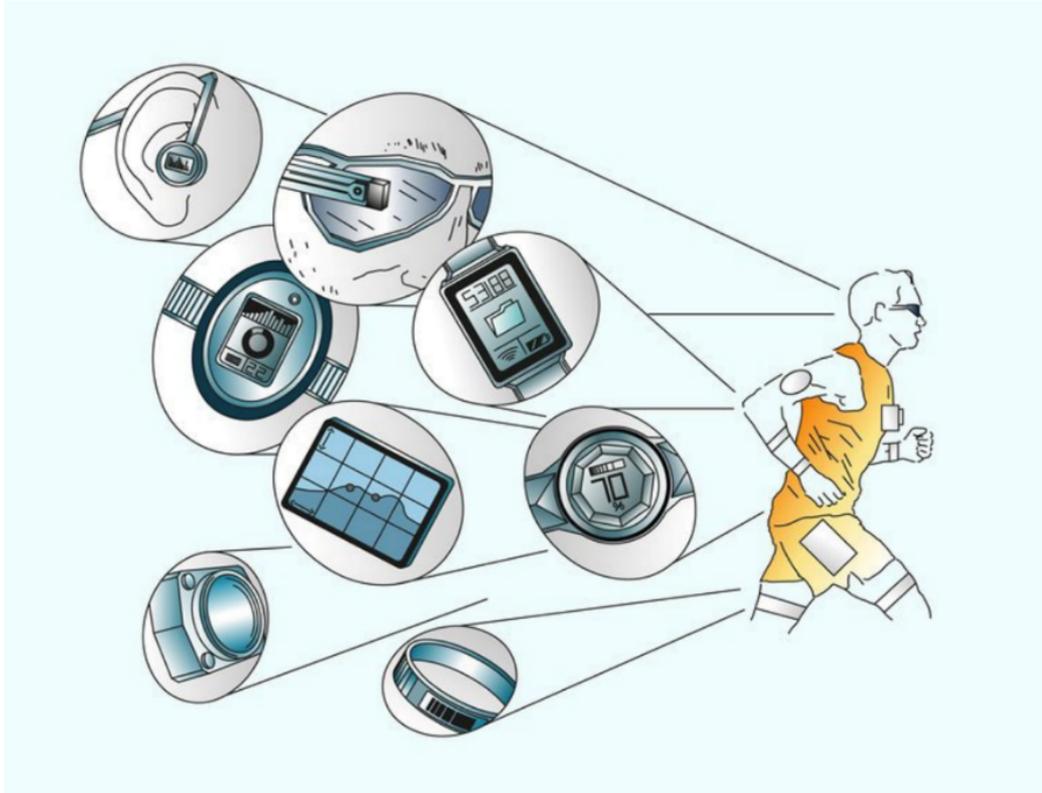

Direct Primary Care

aetna<sup>SM</sup>

# The New York Times

“The collective data stream from our [FitBit] devices amounts to by far the largest and most comprehensive observational health trial ever conducted. We have the data; now we just need to figure out what it means.”

# 3. Health Care and Health Outcomes

# Summit County: A Colorado Paradox?

## The Healthiest State In The Country Has Some Of The Steepest Premiums
