HOW THEY STACK UP

ACA	FEATURES		AHCA
Individual Mandate. Most people must obtain health insurance or pay a penalty of 2.5% of household income or \$695 per adult, whichever is greater.		Coverage Requirement	Continuous Coverage. If an enrollee drops coverage, insurers may add a 30 percent surcharge upon re-enrollment.
Bans insurers from denying coverage to people with preexisting medical conditions or charging them more.		Guaranteed Issue	Retains this reform from the ACA.
May stay on parents' plan until age 26.	2	Young Adults	Retains this reform from the ACA.
3:1 Ratio. Insurers may charge an older adult three times more than a younger adult.	E.S.	Age-Based Pricing	5:1 Ratio. Insurers may charge an older adult five times more than a younger adult.
Income-Based. Provides credits for people earning between 139% (\$16,000) and 400% (\$48,000) of federal poverty level. Credits are higher in areas with higher insurance prices.		Tax Credits	Age-Based (with Income-Based Caps). Provides refundable \$2,000/year credits for people under 30, increasing to \$4,000/year for those over 60. Bigger credits for larger families, but capped at \$14,000/year. Drops \$100 for every \$1,000 of income over \$75,000 for individual, \$150,000 for family. Not based on price.
Expanded eligibility to all low-income people below 139% of federal poverty level. Federal government pays at least 90% of cost.		Medicaid Eligibility Expansion	Continues expansion through 2020 , but then freezes enrollment. Eliminates enhanced federal payment rate for all but those continuously enrolled on December 2019.
Joint federal and state funding that covers all eligible residents and all permitted medical services.	(\$	Medicaid Funding	Transition federal portion to a per capita allotment , or a set amount per enrollee, in 2020, using 2016 as base year.
Provides cost-sharing subsidies for households between 100% and 250% FPL to reduce out-of-pocket costs. Must buy silver plan.	S	Cost Sharing	Repeals subsidies in 2020.
Caps tax-free contributions at \$3,350 annually for individual. Must be in a high deductible plan.	S .	Health Savings Accounts (HSAs)	Expands availability of HSAs, increases tax-free contributions.
Requires insurers to offer 10 benefits in all plans.	\bigcirc	Essential Health Benefits	Retains the 10 essential benefits.
Creates online marketplaces to purchase individual insurance, and designates marketplaces as the only place tax credits are available.		Health Insurance Marketplaces	Retains the marketplaces, but makes tax credits available outside the marketplace.
Bans insurers from limiting coverage.		Annual/Lifetime Dollar Limits	Retains ban.

Removed need by requiring insurers to cover all people with preexisting conditions.

Didn't affect Planned Parenthood

Not part of ACA.

Employer Sponsored Insurance

High Risk Pools

Retains the pre-tax structure.

Provides \$100 billion for a "Patient and State Stability Fund." States have option to use this money to create a high risk pool.

Adds a ban of funding to Planned Parenthood in 2018. Forbids tax credits for buying an insurance plan with abortion benefits.

Reproductive Health

Patient and State Stability Fund

New \$100 billion pot of money over 9 years for states to use as they see fit for health-related policies.
